Recording Secretary

Fran Wertheim
Corresponding
Secretary

Lori Schur
Sisterhood
President

Martin Shapiro
Men's Club
President

The Men's Club is a renewed and evolving group of guys doing good deeds for the synagogue. We meet every second Sunday morning at the synagogue for breakfast and fellowship usually supplemented by a program. Our mission is simple: Involve Jewish men in Jewish life.

We support the synagogue in many ways such as ushering at the High Holidays, providing funds and food during holiday events for the children of the religious school, and we join the Sisterhood for shared activities. We sponsor a picnic every May for the Jewish community in the three county area and recently we subscribed to the World Wide Wrap, an annual tefillin minyan on the last Sunday in January that "don the leathers" along with all the other Men's Club around the world.

Our recent affiliation with the National Federation of Jewish Men's Clubs along with our association on the regional level provides us with many friends, resources, and programming. The opportunity to learn from other Men's Clubs has helped our group grow and prosper. A pervasive air of cooperation in everything we do together makes any and all functions so worthwhile that not only do we enjoy the success of the activity but also the process of carrying out the event.

We encourage anyone that might be interested to join us at any of our monthly meetings and experience our fellowship. For more information, please contact us at mensclub@bethisraelsc.org
